Air, Water and Surface Purification
Aquatic Life Support

Do your hotel guests or staff do this when they walk into one of your hotel rooms or toilets?

AirPro-MAX

AirPro-PLUS

AirPro-MINI

ProMedUSA has over 17 years' experience helping our customers permanently remove odours, mould and mildew smells, even tobacco odours from their guest rooms, public areas, and toilets.

Using our latest products, the AirPro-MAX, AirPro-PLUS and AirPro-MINI portable bipolar ionizers, these odours are quickly eliminated. Contact us today and breathe fresh, pure indoor air again.
